What is eCheck-In?

eCheck-in is a fast and convenient way to reduce your visit wait time. We streamline existing features within Weill Cornell Connect and help reduce paper usage during the check-in process.

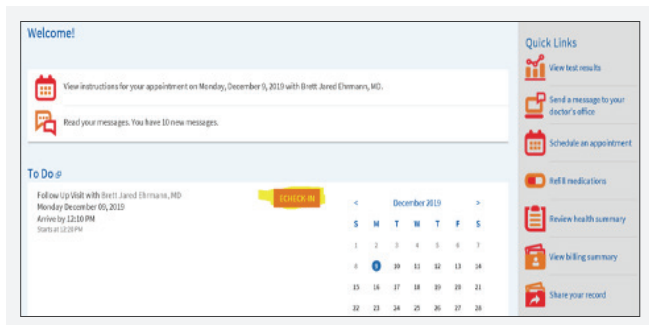

With eCheck-In, you can quickly and safely review and update your:

- address and contact information
- active insurance coverages
- medications
- pharmacies
- allergies
- current health issues
- pay any outstanding balances from previous visits

Access eCheck-In

Expedite your check-in process by following these simple steps:

1. You will receive an e-mail tickler the day before your scheduled appointment to complete eCheck-In. Click on the link to Weill Cornell Connect from the e-mail tickler to log in.

- After logging in, you will be brought directly to the eCheck-In screen. Click on the "eCheck-In" button to start the process of updating information prior to your visit.
- Note: You may see different requirements for each individual appointment, since you will not be asked to update/verify certain items that have already been verified within a certain time period.
